

Spotsylvania County Building Safety Department's

# Builder's Roundtable

The Builder's Roundtable is an informal gathering of contractor and builders to discuss building code issues and related topics. The program is designed for residential builders and contractors, but is open to all.

The roundtable meets the first Tuesday of every month in the main conference room of the Building Safety Department, 10304 Spotsylvania Ave, 4<sup>th</sup> floor.

Doors open at 11:30 for brown bag lunch, (You eat what you bring) and informal discussions with builders and building department staff. Program starts at noon, followed by Q&A and ends promptly at 1pm.

First Roundtable will meet Tuesday, September 1, 2009. Braced Walls will be the topic.

Participants are encouraged to suggest topics for future roundtables.

Pre-registration is not required, but signing up for electronic notification of future Roundtables is encouraged.
