P.O. Box 99
Spotsylvania, VA 22553

Dear Mr. Wheeler:

I wanted you to be aware that Cox Communications is currently negotiating with Fox Cable networks to renew our contract, which expires on January 31, 2007, to carry the Speed network on channel 56 in Spotsylvania. We have fulfilled our legal obligation to notify customers of possible changes to our channel line-up via an ad placement in the *Fredericksburg Free Lance-Star* on December 28, in the event we are unsuccessful with our contract renewal negotiations.

While we do not anticipate at this time that it will be necessary to make any channel line-up changes, we wanted to ensure that we communicated the potential for such a change to you and to our customers.

We will continue to negotiate for reasonable terms to keep the Speed network on our programming lineup. In the meantime, if you have any questions, please don't hesitate to call me at [REDACTED]

Sincerely,

A handwritten signature in cursive script, appearing to read "Alex Horwitz".
