

Addendum #1
to
Spotsylvania County
IFB #17-18-DB
for
FMC WWTF Lagoon Liner Installation
November 14, 2016

Addendum #1 for Invitation for Bid #17-18-DB is issued in accordance with the IFB Terms & Conditions and is intended to provide additional information and clarification to bidders.

Addendum #1 consists of two (2) items which are listed below, attached hereto and made a part hereof to IFB #17-18-DB.

Item 1 – QUESTIONS AND ANSWERS:

1. Drawing or drawings of the as-built lagoon with dimensions, features or structures that must be considered in this installation. **Some drawings are available.**
2. Sub-contractor information or requirements that must be furnished for approval for work under a general contract by Spotsylvania County, reference paragraph. DD. page 18. **Contractor shall not sublet or assign or transfer any interest in a Contract or any portion thereof without the prior written consent of Spotsylvania County of which the County shall be under no obligation to grant.**
3. Approximate date of the Notice to Proceed based on current Bid Date and reasonable Award Period? The requirement for all preparations, approvals and installation to be complete prior to Substantial Completion (60 days) during a winter period will make the proper installation of 60 Mil HDPE liner much more difficult. Reference paragraph. B. and D. page 7. **Award may be possible prior to Christmas.**
4. Is the liner smooth or textured? **Does not matter.**
5. What will be the minimal working temperature? **Contractor's responsibility.**
6. Is the baton to be installed on the bottom or only on the slopes? **Both**
7. Who is responsible for digging an anchor trench? **The Contractor.**
8. Can we bid an alternate liner, i.e. 45 mil Reinforced Poly propylene (RPP)? **Yes, 45-mil RPP is replacing the 60 Mil HDPE liner.**

9. Will the County remove the aerators for ease of installation of the liner? **Yes, the County will be responsible to remove the aerators.**
10. Will the backfill and covering of the trenches require seeding? **No. What is dug out will be used to fill in the trenches.**
11. What are the work hours on site? **There are no limitations. The site is always accessible.**
