

## FY 2018 Recommended Budget Budget Question

### Board Question #: 10

**BUDGET QUESTION:** How many students with/in the school system have an IEP. Of those on an IEP, how many are being provided special services within the schools? What type of services are being provided and by who, agency, department, etc.? Can you provide a cost for each service per child? Can you provide any trend information/data?

**RESPONSE:** Students found eligible for Special Education are required by Federal law (*Individuals with Disabilities in Education Improvement Act IDEIA*) and State Regulations (*Virginia Regulations Governing Programs for Students with Disabilities*) to receive services. It is illegal for public entities, receiving federal, state, and local monies to deny students with disabilities services in the educational setting.

Please see the documentation provided in response to Question #9.
