

## FY 2017 Recommended Budget Budget Question

Board Question #: 115

**BUDGET QUESTION:** Update the model presented on 3/31 to reflect 101% equalization instead of 100% equalization.

**RESPONSE:** The following graphs are updates to those provided on March 31. These graphs reflect 101% equalization in reassessment years instead of 100% as was factored into the graphs shown to the Board on March 31. Aside from correcting the reassessment years to 101%, all other assumptions remain the same as outlined for each scenario on March 31.
