

LOVEspot Itinerary #3

(Family Fun Lunch Adventure)

*Start your fun, family adventure at the LOVE Sign at A. Smith Bowman Distillery. Smile big for the only indoor LOVE Sign!

*Now it's time to head outside... LOVE Sign #2 is at the Rappahannock United Way! Enjoy the big, bright colors with a super fun photo session!

*LUNCH TIME! Enjoy a delicious sandwich or crispy chicken tenders at Robin's Nest Café at Shannon Airport while your little pilots and aviators view the planes. After lunch, hop over to the Shannon Air Museum to view one of the finest collections of aviation history!

*The final stop is the LOVE Sign at the Spotsylvania Visitors Center in Southpoint. Come inside and check out our Gift Shop (take some jellies, honey or peanuts home for an afternoon snack to add some pizzazz to dinner!).

**BONUS: See our information on the Spotsy 300th Anniversary Kids' Art Contest and drop off your submissions to the Visitors Center when you stop by!
