

Baseball, Softball, and T-Ball Return to Play Structure

Dear Parent/Guardian,

Spotsylvania Parks and Recreation is pleased to offer youth sports again. With that said, the leagues may be different due to COVID-19. Our goal is to create an environment that is both safe and fun during these times. The focus is returning to play and being active.

VERY IMPORTANT: PLEASE READ BELOW ABOUT THE LEAGUE STRUCTURE THIS SEASON!

League Structure Due to COVID-19 and following the Governor of Virginia's latest Executive Order:

1. Masks are mandatory for everyone while around the field. Excluding: participants in the game or while practicing. Participants may wear a mask while playing, if they choose. Players and coaches will be required to wear a mask while in the dugout and when not actively involved in the competition.
2. In accordance with Executive Order 72: For sports played outdoors, spectators are limited to two guests per player at games and practices. This may change with additional guidance from the Governor's office.
3. For parents/guardians of participants attending games and practices, masks and social distancing is required at all times. A staff member will remind parents/guardians in attendance if social distancing is not being achieved.
4. Schedules may be changed, games may be suspended, or league canceled with new information released by the Governor of Virginia, local Health Department, or due to facilities being closed.
5. All who attend practices/games should take their temperature at home prior to leaving for practices and games.
6. Coaches are responsible for asking players or their parents if they have a higher than normal temperature before each practice/game.
7. Anyone who is not feeling well should not attend games or practices and should stay home.
8. Umpires will follow the direction of their association when it concerns masks.
9. Batting helmets will be provided but it is highly recommended that you provide your own helmet if possible. Batting helmets must have a mask. If your child is a catcher it is highly recommended you provide your own equipment if possible.

Thank you for your support of the Baseball, Softball, and T-ball Programs and all the individuals working together to make the program successful.

Sincerely,

Spotsylvania Parks and Recreation Staff

-HEAD COACHES NEEDED FOR THE 2021 SPRING SEASON-
