

## Residential Propane Tank / Gas Log Installation Statement

We, \_\_\_\_\_, agree to comply with all required  
(Individual or Company)

zoning setback regulations for accessory structures as stipulated in Section 23-5.2.2 of the Spotsylvania County Zoning Ordinance. **(Property line setback distances to be no less than 10' from rear and side property lines.)**

We agree to comply with all 2006 VUSBC requirements including inspections for all above- ground or below-ground propane accessory units. We will obtain all necessary inspections as required by Spotsylvania County Code Compliance Department for the installation of such units.

54.1-1111. Prerequisites to obtaining building permit etc. – Any person applying to the building inspector or any other authority of a city, county or town in this Commonwealth, charged with the duty of issuing building or other permits for the construction of any building, highway, sewer, structure, or any removal, grading or improvement shall furnish prior to the issuance of the permit, either (i) satisfactory proof to such inspector or authority that he is duly licensed or registered under the terms of this chapter to carry out or superintend the same, or (ii) file a written statement, supported by an affidavit, that he is not subject to licensure or registration as a contractor or subcontractor pursuant to this chapter. The applicant shall also furnish satisfactory proof that the taxes or license required by any city, county, or town have been paid so as to be qualified to bid upon or contract for the work for which the permit has been applied.
