8.6 Severe Weather

When weather conditions are serious enough to raise questions about whether County offices will be open, employees should listen to local radio stations (such as WFLS 93.3, WBQB 101.5 or WJYJ 90.5) for relevant announcements. County offices may be declared closed by the County Administrator during periods of severe weather and/or when the health and safety of employees are at risk. (See Section 11.4) The County Administrator's declaration of closure may affect the manner in which an employee is paid for that day from the specified time of the County Administrator's declaration. (See Section 22.9.) If a re-opening time is not declared, it is presumed to be 12:01 a.m. of the next calendar day. Unless announced to the contrary, employees should report to work as scheduled.

A. Essential Positions

Employees in essential positions have duties related to any aspect of weather emergency response or provide essential and/or public safety services. Essential personnel shall be required to report for duty following departmental standard operating procedures. A listing of essential positions is provided in the Appendix of this manual. If a non-essential employee works without approval, the employee may be subject to disciplinary action.

When County offices are open during inclement weather, a liberal leave policy is in effect for those in non-essential positions. Under liberal leave, employees may take Annual Leave, Compensatory Time and/or Leave Without Pay, without having requested it in advance. The employee, upon returning to work, shall submit a request for any time he was absent from work while County offices were open. However, an employee shall notify his immediate supervisor as soon as possible whenever he will be late or absent.

D. Previously-Approved Leave Restored

At its discretion, a department may allow staff to dress in a more casual fashion than is normally required (such as during unusually hot or cold weather or during special occasions). On these occasions, employees are still expected to present a neat appearance and are not permitted to wear ripped, frayed or disheveled clothing, athletic wear, tight, revealing or otherwise inappropriate clothing.

Any staff member who does not meet the attire or grooming standards set by his or her department will be required to take corrective action, such as leaving the premises to change clothing. Hourly-paid staff will not be compensated for any work time missed because of failure to comply with designated workplace standards.

The County will reasonably accommodate a staff member's religious beliefs in terms of workplace attire unless the accommodation creates an undue hardship or safety concern. Staff members requesting a workplace attire accommodation based on religious beliefs should be referred to the Director of Human Resources.

Violations of this policy can range from inappropriate clothing items to offensive perfumes and body odor. If a staff member comes to work in inappropriate dress, the staff member will be required to go home, change and return to work.

8.28 Department Directors' Financial Disclosure

All department directors shall file Statement of Economic Interests statements with the County Administrator annually.

8.29 Emergency Hiring

Should circumstances and conditions necessitate the hiring of personnel in an abbreviated manner, the department director shall make a written request for authority to hire on an emergency basis from the County Administrator. No employment commitment shall be made prior to the County Administrator's approval.

8.30 Employment through Temporary Agencies

From time to time, a department may have an immediate workload that can be met only by additional staff for a short duration. If the department director determines that the department's need is best met through a temporary employment agency and if departmental funds are available, all arrangements for such workers shall be made by that department in conjunction with the Department of Human Resources. Employment through an employment agency shall be for no longer than 90 calendar days.

8.31 "Acting" Assignment

An employee may be temporarily assigned to a vacant position, or a prescribed set of duties, other than that to which he is officially assigned, to meet emergencies occasioned by abnormal workload or organizational changes, to cover absences pending official assignment of personnel, to perform duties pending the development and classification of a new position, or for other purposes necessary to provide quality public service. Temporary assignments and the reasons thereof shall be made a part of the employee's personal County file. No employee shall be temporarily assigned to a position, or set of duties, other than the position to which he is officially assigned for more than a total of 180 workdays in any 12-month period. The employee's pay while on temporary assignment may change if the employee is required to work in the full capacity of a higher classified position for a period equivalent to sixty (60) workdays or more. Requests for "acting pay" shall be made in writing by the department director and forwarded to the Director of Human Resources in advance of the employee assuming an acting assignment.

8.32 Demotion

A. Definition

A demotion is a reduction in the pay grade of an employee in conjunction with a change of job duties and responsibilities or position. Demotion shall be authorized by the County Administrator upon the recommendation of the department director and the Director of Human Resources.

B. Voluntary or Involuntary

Demotions may be involuntary or voluntary. An employee may request a voluntary demotion for personal reasons or to remain in County employment if his position is eliminated. An employee may be demoted involuntarily for poor performance or for disciplinary reasons.

C. Pay

A demotion may not require a reduction in pay, but in no situation may the demoted employee receive a salary greater than the maximum of the salary range assigned to the position to which he is moving. The employee who is demoted will be subject to a new merit anniversary date.

8.33 Lateral Transfer

A lateral transfer is the move of an employee from one position to another within the same pay grade. A part-time employee may be laterally transferred to full-time employment in the same or a different position of the same grade if performance is satisfactory and a full-time position becomes vacant. Transfers shall be authorized by the County Administrator upon the recommendation of the department director(s) and the Director of Human Resources. The employee who is transferring will be subject to a new merit anniversary date.

8.34 Promotion

A promotion is the selection of any employee for a position in a higher pay grade. An employee may compete with external and/or internal applicants for promotion. The employee shall be subject to a new merit anniversary date, which will be the effective date of the change.

8.35 Reinstatement

Reinstatement occurs any time an employee returns to work from an authorized leave of absence or goes from non-paid to paid status. The absence shall be treated as approved Leave Without Pay. Leave accrual is delayed by the time in non-paid status. Any accumulated leave balances for which the employee was not compensated shall be restored. Virginia Retirement System determines earned retirement credit for such absences. The County Administrator shall approve all reinstatements. A reinstated employee shall be paid at a salary rate within the range assigned to the position to which he is re-instated.

8.36 Re-Employment

A former employee may be re-employed in the same position, defined as same job title, job grade and full-time equivalency (FTE) within 90 calendar days of the effective date of separation. Any accumulated leave balances for which the former employee was not compensated upon separation shall be restored; however, no leave shall accrue during the separation period. For service years credit the former employee's initial hire date shall remain the same. Virginia Retirement System determines earned retirement credit for such absences. Health benefits and leave accrual eligibility will be effective the first of the month following 30 days of consecutive eligible service following the re-employment date.

If a former employee returns to work in a new position or a position with a different FTE, re-employment will not apply. In this instance, the returning employee will be considered a re-hired employee, with a new employment date and benefits will be offered and accrued accordingly. Prior leave balances will not be reinstated and all waiting periods for new employment will apply.

8.37 Medical Examination

The County Administrator may require an employee to undergo a medical examination performed by a County-authorized physician and at County expense under any of the following conditions:

1. To verify fitness for duty of an employee for his particular position
2. When in the judgment of the department director, the employee is falsely or fraudulently using sick leave

8.38 Whistleblower Protection

All employees are provided the protections contained in the Virginia Fraud Against Taxpayers Act. These protections are contained in Virginia Code Section 8.01-216.8. Employees are encouraged to report any suspected work-related fraudulent or illegal activity to their immediate supervisor.
