

ATTENTION SPOTSYLVANIA & FREDERICKSBURG WATER CUSTOMERS

Temporary change
in your Water's Disinfectant
& Annual Water Flushing

Spotsylvania County Utilities and the City of Fredericksburg will conduct its annual spring flushing of the water distribution system.

Beginning March 14, 2022, Spotsylvania County will *temporarily* change the primary disinfectant in their water treatment process from chloramines to free chlorine. The purpose of this temporary change in process, which occurs annually, is to help ensure a high level of disinfection in our community's network of water mains. During this period, Spotsylvania County and the City of Fredericksburg water customers may notice a change in the taste or odor of their tap water. Spotsylvania County, will return to using chloramines on **April 22, 2022**.

Flushing will occur in the County and City on or about **March 21, 2022**, and continue through **May 2022**. Crews will work each day, Monday through Friday (excluding holidays), from 7:00 a.m. until 3:30 p.m.
