You have two options when voting no excuse, Absentee / Early. Voting in person or applying to have a ballot mailed – both, 45 days before any election (beginning September 18, 2020). These votes are counted on Election Day the same as voting in the precinct.

1. To receive a ballot by mail: fill out an application (essentially signing a form stating you requested to have a ballot mailed.) Send it back to our office – email, fax, regular mail, drop off – we’ll process and begin mailing ballots on September 18th (The first day of Absentee/Early Voting). Apply two methods:

Online: www.elections.virginia.gov/voterinformation (these applications come to our office electronically)

Call or email our office: 540-507-7380 / voter@spotsylvania.va.us

Once you have received your ballot and voted, you may return it by regular mail, a commercial service (FedEx, UPS, etc.) or drop it off at our office by Election evening, 7:00p.m., so it may be counted. (Postmarked ballots via USPS can be accepted up until noon on Friday, November 6th.)

You may track your ballot through the mail! Use this link, enter your voter information and keep an eye on your ballot: www.tinyurl.com/spotsyvotes

2. To vote in person: No application is required. You bring your valid ID, you are then checked in to the pollbook, handed the correct ballot, directed to vote at a voting booth and finally place it in the scanner/tabulator yourself. Since you are checked in to the pollbook, it will confirm that you voted Absentee/Early before Election Day. Operations will run much like a mini Election Day for 45 days before each election.

LOCATION / HOURS OF OPERATION: Early voting will be at our satellite office (very close to our Administrative office) at 4924 Southpoint Parkway, 22407, Monday through Friday, 8:30am to 4:30pm.

You can check our website (www.spotsylvania.va.us/vote) and our Facebook page: *Spotsylvania Votes*.
