A motion was made by Tim Bryner and seconded by Greg Bell to table the minutes from the March 6, 2017 meeting.

The March 14th presentation by the CBRC to the Spotsylvania Board of Supervisors was discussed. The Committee thought it was important to include a slide showing the local share of \$860,000.00 for out-of-county students in the school system. It was noted that any nonresident full-time employee of SCPS is eligible to enroll dependents.

A discussion was also had about the numerous out-of-state and out-of-county conferences that were being attended by school employees. Locations included Las Vegas, NV, Toronto, Canada, and Vancouver B.C., Canada and many other trips requiring airfare.

The presentation was reviewed and approved by the Committee.

The meeting adjourned at 8:36 PM.
