

FY 2018 Recommended Budget Budget Question

Board Question #: 11

BUDGET QUESTION: For those on an IEP, how many are being provided services/education outside of the school? What facilities and their locations are used to accommodate these children. What is the average cost to include transportation for a child being provided educational services outside of school? What is the total cost to the school system for this service? Do you have any trend data? How do children qualify to be on an IEP? Please provide as much detailed information as possible.

RESPONSE: See material provided in response to Question #9.
