

FY 2018 Recommended Budget Budget Question

Board Question #: 14

BUDGET QUESTION: How do our schools (high school, middle schools, elementary schools) rank (as far as education, grades, testing, etc.) within the Commonwealth of Virginia? Please give historical data for the past 5 years.

RESPONSE: See PDF - attached

Federal funds are allocated to Title I schools. If those schools, who are at-risk as defined by the Federal Government, fall in the bottom 15% of all schools in the state they are targeted for support as a Focus school. The bottom 5% of that group are targeted for support as a Priority school. Riverview Elementary School is the only school who qualifies as a Focus school. They receive the federal funds and are thus must comply with the parameters set by Title rules.
