Mr. Mark B. Taylor
County Administrator
P.O. Box 99
south, VA 22553

Dear Mr. Taylor:

The purpose of this letter is to request that Spotsylvania County budget during FY-2018 for on-going financial support of the regional Med-Flight Program.

Med-Flight-I is a collaborative effort among Chesterfield Fire & EMS, the Virginia State Police, Virginia Commonwealth University (VCU) and the Virginia Department of Health. For over 30 years, the Virginia State Police has funded the helicopter and pilots and Chesterfield County has funded the flight paramedics, with financial assistance from localities and hospitals within Central Virginia. Beginning in FY-2016, VCU expanded its partnership in the program by providing flight paramedics, which reduced Chesterfield's total costs for the medical staff. This expanded partnership along with additional funding from the Virginia State Police reduces the amount of funding requested by Chesterfield County from the localities. If the additional funding from the State is not continued in future years, Chesterfield's costs for the program will increase and it will be necessary to increase the amount requested from the localities in Central Virginia in order to sustain this valuable program.

Over the last four fiscal years, Med-Flight-I answered 2,733 missions in the region and provided state-of-the-art aero-medical services to 1,276 patients. During that time period, Med-Flight-I handled 5 missions in Spotsylvania County, accounting for .14% of the total missions in the region. As you prepare your FY-2018 budget, I am requesting that you include \$4100 in support of the Med-Flight-I Program. This per-capita based amount will help Chesterfield County to continue supporting the excellent aero-medical services your community has come to expect.
